

For the Attention
of the CEO & the
Retail Manager
of this store,

I would like to buy Isle of Wight milk. However I am very disappointed that I cannot do so in your store. I want to protect our environment therefore I think it is important for **Isle of Wight Milk** to stay on the island and reduce its food miles. I want to continue to see cows grazing pastures on the Isle of Wight and with so few dairy farmers remaining they need our urgent support.

PLEASE STOCK ISLE OF WIGHT MILK
